Dear Customer / Family member,

Welcome to Atkinson's Pharmacy. We are a locally owned and operated community pharmacy that has served residents and families like you in Northeast Florida since 1963.

We would like to welcome you as a customer of our ***Daily Med's Home Delivery Services***. We look forward to serving you in an efficient cost effective manner that will allow you the assurance of receiving your much needed medications from the comfort of your own home.

We provide many "value added" services to our customers and accept all major Medicare D plans, most private insurances as well as Medicaid. There is no additional charge to you for our value added services such as compliance packaging, medication regimen review, pharmacist phone consultations.

There is also no need to worry about payment at the time of service. Our accounting department will post any co-pays or other items not covered by your insurance, as well as a \$6.00 service fee per delivery or \$12.00 for medication requiring cold shipping to an authorized credit card on file that you will provide.

To establish this account you will find enclosed a Packet with all the required documentation. Please complete and return the forms to Atkinson's Pharmacy through fax, email or scan.

Please feel free to contact us anytime with questions or concerns. We thank you in advance for your business and look forward to being of service to you.

Sincerely,

Laura Cox
